## PROMINENT PHYSICIAN TALKS

Colonel Dillingham's Wonderful Cures Stir up Local Medical Fraternity Owing to the Interest That Has Been Aroused Over the Remarkable Cures Effected by the Proprietary Medicine, Plant Juice, Now Being Advertised in Clarksburg by Col. F. A. Dillingham, the Noted Philanthropist.

The wonderful results of the use of Plant Juice in the removal of parasites from the system has stirred up the local medical fraternity of the city to a considerable extent, and the discussion of some of the cases has been quite interesting. One well-known physician in speaking of the matter said:

"I have been very much interested in what reports I have been able to gather of the results accomplished by this new remedy which has been introduced here. I was at first skeptical, but am at last forced to believe that this formula must be of great medical value. I am especially interested in its power to remove parasites from the human system and am astonished at the frequency with which the medicine performs this function, as in the remarkable cure of James P. Davy, at Frank Wells's Third Street barber shop, who passed a tape worm 72 feet long head and all, after taking Plant Juice for only three days. I must admit that I am at a loss to even hazard a guess as to the properties contained in the remedy which produces these results, as I would never have believed it, had it not been proven this diseases of this nature were as

prevalent, and I am at a complete loss to determine the nature of the remedy. I will frankly admit that since these remarkable demonstrations have taken place that a number of people who have come to me in the past suffering with what I believed to be stomach trouble may have been unfortunate enough to have been preyed upon by internal parasites."

Reports of the successful results of the Plant Juice remedies sold by Col. Frank A. Dillingham continue to come in from all sources, and new cures are increasing with the spread of the good news among the afflicted. The results of the general use of Plant Juice in a number of cases have been so satisfactory that it has become necessary to establish a permanent depot for its sale, as well as the sales of the other remedies manufactured and prepared under the direction of Col. Dillingham.

The Plant Juice remedies are now on sale at the drug store of Wells & Haymaker, 316 Main street, every kind manufactured having been placed there for sale. The prices are exactly the same as charged by Col. Dillingham, and the same care has been exercised in the preparation and compounding.

Were the Remains of Herman Rasley, the Former Railroad Brakeman, Who Was Killed at P. K. Switch Twelve Days Ago.

The remains of Herman Rasley, the former railroad brakeman of South Bethlehem, Pa., who was killed by a freight train at the Pinnickinick mine switch in the Baltimore & Ohio railroad yards, twelve days ago, were buried in the cemetery at the county infirmary Friday morning. Many efforts were made to receive word from the relatives of the dead man with instructions for burial, but without result. The remains laid at the Clifford-Osborne undertaking parlors since the time of the accident and were kept there awaiting word from the relatives.

## THIN PEOPLE.

Thin, scrawny, fleshless people are usually nervous, irritable, bilious and dyspeptic. Every change of weather affects them, if they happen to eat or drink anything containing disease germs, it develops at once, and they are the first subjects of any contagious disease coming into the neighborhood. Their life is a continual worry in their efforts to avoid exposure to damp and malarious atmosphere. People can gain from 1 to 1 lbs. of solid healthy flesh per week by the use of Dr. Gunn's Blood and Nerve Tonic. It puts their system in condition to resist sickness. This Tonic is in tablet form, to be taken right after meals. Sold by all druggists for 75c per box or 3 boxes for \$2. It turns the food you eat into strong, rich blood; this prevents and cures disease. People tell us who have used the Tonic that it cures them, then keeps them from getting sick afterward. Sold by Stone & Mercer, Druggists.
